Test Environment Upgrade

Introduction

FEX Global (FGL) will be upgrading its external test environment over the Christmas/New Year period of 2024/2025. The test environment will be unavailable whilst this upgrade is implemented and fully tested.

At this time it is expected that the test environment may be unavailable for a period of up to 6-8 weeks.

FGL is currently finalising detailed plans and resourcing and will publish the commencement date for this upgrade once it has been set. The availability of the upgraded test environment will be published after testing has commenced.

Participant Actions

No specific actions by Trading Participants, Data Vendors or ISV's are required.
